Dear Families,

Welcome to Season 17 at The Performing Arts Connection! As a family-focused studio, we believe in the power of the performing arts to bring people together and create unforgettable memories.

Our team of experienced instructors is dedicated to helping every student shine on stage. Whether your child is interested in ballet, tap, jazz, hip-hop, or musical theater, we offer a wide range of classes from which to choose.

In addition to providing top-notch instruction, we also offer a range of opportunities for your child to perform, including annual Recitals, Showcases, Youth Musicals, community events, and more. We believe that performing is an essential part of the learning process and provides our students with the confidence and skills needed to succeed on and off the stage. We are also committed to giving back to our community and we strive to engage our students in the process.

Our studio is a place where everyone gets to be in the limelight, and we look forward to helping your child shine!

Warmly,

Samantha Bower
