The Performing Arts Connection

CELEBRATING 20 YEARS IN THE LIMELIGHT

Dear Families,

Welcome to The Performing Arts Connection!

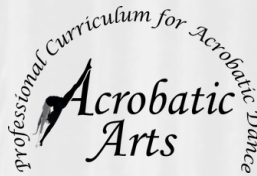

It seems like only yesterday I was graduating college and dreaming of a place where people of all ages could come together to train, create, perform, and connect. 20 years later, thousands of children and families have found their second home at The Performing Arts Connection, including my own! Through our confidence-building, inspiring programming led by a team who lives out our core values, TPAC is a leader in the performing arts industry in more ways than I could have ever imagined. I am tremendously grateful.

Our 20th anniversary season promises to be one of wonder and possibility, joy and purpose, and profound celebration! We'll kick things off with a celebration event at The Sanctuary in Maynard and conclude with a grand finale, once-in-a-lifetime performance at Walt Disney World in Orlando, Florida. I hope you'll be a part of this exciting and transformative season.

This journey of studio ownership continues to be a blessing in my life. Thank you for making a commitment to your mind, body and heart. I am proud to enter into our third decade as the place "where everyone gets to be in the limelight"!
